**Meek is an Australian bathware design brand.** We believe in longevity and aim to produce timeless bathroom pieces that create lasting beauty. / Our products are developed and made locally, working with industry leading companies. It is a privilege to work with our manufacturing and production partners; they are passionate and masters of their craft. / Our goal is to realise products that become a standard in the market. Meek believes in Australian excellence. **We make bathware for people who believe what we believe.**

# Argil

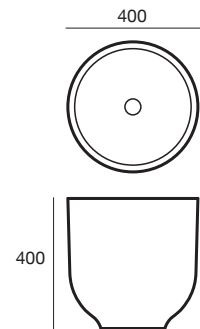

A tall basin that has a quiet and confident presence. The elegant bell shape brings a gentle sense of theatre to the bathroom. Argil is smoothly polished for a level of refinement that still remains true to its material.

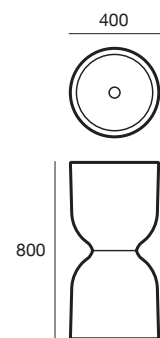

### Argil tall basin

- ECC Concrete
- 400 x 400mm
- 40mm waste
